

Special conditions Disney+ via Mobile Vikings

1. These special conditions regarding Disney+ apply to all aspects of the relationship between you, the Viking, and Mobile Vikings, alongside our [General Terms and Conditions](#).
2. By linking your Disney+ subscription (new or existing) to Mobile Vikings, you're entitled to a 2 EUR monthly discount, applied to your Mobile Vikings invoice/payment invitation.

The link to Mobile Vikings can only be made with monthly Disney+ subscriptions, not annual ones. If you already have an active annual Disney+ subscription, you can still set up the link, yet only for a monthly subscription via Mobile Vikings. Make sure to check article 5 below for the consequences for your existing annual subscription.

3. The discount is only granted to Vikings with an active Mobile Vikings mobile and/or internet at home subscription. The combination of a prepaid card and Disney+ does not entitle you to a discount.
4. To use Disney+, a Disney+ account is required, which you can activate via the [Disney website](#). You must also agree to the [general terms and conditions of Disney+](#).
5. You can link an existing Disney+ subscription to Mobile Vikings through the steps mentioned in your My Viking account or in the respective emails. You can subsequently manage or cancel your Disney+ subscription free of charge after the first 30 days in your My Viking account.

If you already have a subscription with Disney+ and want to continue it via Mobile Vikings, or want to switch to a more expensive subscription, your current annual or monthly subscription will be paused by Disney+, so that when your new subscription via Mobile Vikings starts, you only begin paying through your Mobile Vikings invoice/payment invitation. If the existing subscription was paused, the direct subscription with Disney+ automatically becomes active again if the link with Mobile Vikings is broken.

If you already have a subscription with Disney+ and want to switch to a less expensive subscription via Mobile Vikings, the existing direct annual or monthly subscription to Disney+ will continue. So make sure to take the necessary steps with Disney+ itself to pause or stop that existing subscription if you want to link a second subscription via Mobile Vikings. That way, you avoid double costs. For all questions about the billing of your existing Disney+ subscription by Disney, please contact [Disney customer service](#) directly.

6. If you have a Disney+ subscription via another provider, please contact them to avoid double billing.

7. You can update your Disney+ subscription at any time in your My Viking account. The adjustment of the Disney+ subscription always takes effect at the end of the current subscription month, unless it concerns a switch to a more expensive Disney+ subscription. In that case, the switch takes place immediately and you will receive a pro rata refund on your next invoice/payment invitation for the part of the month in which you still used a cheaper Disney+ subscription.
8. After the first 30 days, you can cancel your Disney+ subscription at any time free of charge in your My Viking account. The cancellation of the Disney+ subscription always takes effect at the end of the current subscription month. If you cancel your telecom service(s) with Mobile Vikings, your Disney+ subscription via Mobile Vikings will also be automatically terminated at the end of the current subscription month. If you still want to continue using Disney+, you can take out a subscription directly with Disney.
9. The Walt Disney Company Limited and The Walt Disney Company Benelux (B.V.), referred to as "Disney" in these conditions, manage and are responsible for the Disney+ app and are the data controllers and thus jointly responsible for the processing of your personal data to provide you with the Disney+ service, based on [Disney's privacy policy](#).

More information about how Mobile Vikings handles your personal data can be found on [this page](#).

10. Mobile Vikings is not responsible for problems or malfunctions in the operation of the Disney+ service. In case of problems, contact the [Disney+ customer service](#).
11. Mobile Vikings can make changes to the way the Disney+ service is offered and to the associated conditions, e.g. the price. We will inform you in due time of these changes if they apply to you. If the change significantly negatively affects you, you have the right to update or cancel your subscription free of charge.

Disney can make changes to the Disney+ service itself. These changes will be implemented in accordance with [Disney's general terms and conditions](#).
